Hotel A: Group Sales Policy

Applies to every group quote from Hotel A. A group is 10 or more rooms on any one night.
All rates are in EUR, per room per night.

1. Minimum rates

Hotel A never sells a group room below the minimum rate for its room type and night. A rate below the minimum needs the Director of Sales to approve it in writing, so the Director of Revenue Management (DORM) does not quote one.

Room type	Sunday to Thursday nights	Friday and Saturday nights
Standard King	120	160
Deluxe King	150	200
Junior Suite	240	320

A night is Friday or Saturday if the guest arrives on that day. A Friday night is the night from Friday to Saturday.

2. Weekends

Friday and Saturday nights are weekend nights. Minimum rates for weekend nights are higher because demand is higher. No group may be quoted a weekday rate on a weekend night.
